Lewis Carroll was an English writer from the 1800’s. He is famous because of two books—
ALICE’S ADVENTURES IN WONDERLAND
&
THROUGH THE LOOKING GLASS

His real name was Charles Lutwidge Dodgson, but “Lewis Carroll” was his Pen-Name...the name he used as a writer.

He was born on January 27, 1832.

Throughout his life, he had difficulty speaking to people because of a stammer (or stutter). Even though it bothered him, it did not stop him.

As a child he loved to put on puppet and magic shows for his family.

As he grew older, he was also very interested in math and photography.

But his main interest was writing. He loved writing poetry. When he was younger, his family would make homemade newspapers. His poems would be a part of those newspapers. As an adult he was able to publish his poems in real papers.

ALICE’S ADVENTURES IN WONDERLAND was published in 1865. THROUGH THE LOOKING GLASS was published in 1872.

Both of these creative fantasy books about Alice were highly imaginative and full of magnificent poetry! They are still read and loved today!

ALICE ROCKS WONDERLAND is a MUSICAL. The music is original and composed by A.C.T. For Youth. The inspiration was the poems written by Lewis Carroll.

Be A Songwriter

Use this poem from the book Alice In Wonderland as your lyrics. (Lyrics are the WORDS in your song)

A boat beneath a sunny sky
Lingering onward dreamily
In an evening of July
Still she haunts me phantomwise
Alice moving under skies
Never seen by waking eyes.
In a Wonderland they lie,
Dreaming as the days go by,
Dreaming as the summers die
Ever drifting down the stream,
Lingering in the golden dream
Life, what is it but a dream?

By yourself OR in a group of 4-6
Write the melody for this song.
What style of music fits well with this poem?
Do you want to repeat lines? If so, which lines?
Do any of these words fit well to be the CHORUS?

Each person or group should share their song.
How are the songs different? How are they the same?

Use your imagination to figure out how you could make the background music to the songs. Use instruments, electronic instruments, or your voices to create the accompaniment!
A.C.T. For Youth wanted to use the original illustrations as inspiration for the rock-and-roll costumes for ALICE ROCKS WONDERLAND. Can you see what is similar and what is different?

**Costume Design For A Rock Show!**

Actors wear costumes in a show to help the audience know what kind of character they are playing. Wearing a costume is fun. What other things did you see the actors use to make their characters come to life BESIDES their costumes?
~Now It Is Your Turn To Create A Costume Design!~

Draw Your Own Costume!

On the next pages, you will see characters from the book **ALICE’S ADVENTURES IN WONDERLAND**. How would you design Rock-And-Roll costumes for A.C.T. For Youth actors inspired by original illustrations?
The Mock Turtle
**Before The Show Activities**

- You will be seeing a live theatre production. What are the differences between a play, a movie, and TV? What kinds of theatre manners should be used when watching a play?

- Familiarize yourself with the traditional ALICE IN WONDERLAND story. You can watch one of the movie versions, like the classic Disney Cartoon version, or better yet, try reading the book.

**After The Show Activities**

- In the play, Alice learns that reading a book isn’t about getting to the end, but about putting yourself into the story and feeling what the characters feel. Discuss books that you have read that made you feel like you were in the story. Try reading one of your classmate’s favorites and talking about it afterwards.

- Do you remember the LOBSTER QUADRILLE part of the play where the audience dances with Alice and the Queen Of Hearts? What are your favorite dances? Stand in a circle with your classmates. One at a time, step into the circle and do a dance move. The rest of the class should yell out “Let’s Dance!” in unison. Then everyone should do the same dance movement. Go around the circle until everyone has been the leader of a dance move.

- What was your favorite part of the play? Who was your favorite character? A fun part about seeing a play is talking about it afterwards with your friends. Discuss what you liked best and why? Did everyone have the same favorite part?

- ALICE’S ADVENTURES IN WONDERLAND is one of the most famous “fantasy” books of all time. Fantasy stories have fantastic out-of-this-world characters, settings, and situations. Talk about “fantasy” books and stories that you know. How are they similar to Alice’s story? How are they different?
All About The Actors
Noel Holland & Don Gruel

You will be seeing professional actors!
That means they act for their jobs!
An interesting fact about the actors:
They started acting when they were YOUR age!

NOEL HOLLAND— I cannot remember a time when I was not singing. As a child, I would sing to anyone who would listen— if nobody was there to hear, I would sing to myself! I started acting and dancing because I loved performing on stage. My sister and I would put on plays for our parents in the living room! When I was in middle school and high school, I decided that I wanted to be a performer. After I graduated college with a degree in music, I became a professional actor— working for theatres all over the country. Now, I have my dream job— owning a theatre. I am so proud to be a part of the Atlantic Coast Theatre For Youth. It gives me all kinds of opportunities to sing, act, write songs, and use my imagination. I so enjoy creating shows that children love because I loved theatre and music so much when I was a child!

DON GRUEL— I grew up in Beaufort, South Carolina. When I was little, I would make up plays using my “Star Wars” Action Figures as the actors. I started doing school plays when I was in Kindergarten, but my first play outside of school I was in the musical OKLAHOMA when I was 10 years old. I really liked the feeling of being able to pretend to become other people in other places. I kept doing plays throughout Middle School & High School and decided to study Theatre in college. I graduated from the University Of South Carolina in 1993 and have worked in professional theatre ever since. I have always loved using my imagination. As an actor, I get to be creative every single day.

You can try acting too!
Get involved in a play at school or in your community!

Dear Audience:
The Atlantic Coast Theatre For Youth would like to thank all of you for showing us such fantastic audience manners during the show! Everyone was so respectful during the performance. You laughed when things were funny, but you were also able to quiet back down so that everyone could hear. I don’t think that we heard anyone talking while the actors were on stage. That was great! You made our job so much fun.

Thanks so much! You were wonderful!

Sincerely,

Don Guel & Noel Holland
